

Schedule of Development of Laboratory Diagnosis of Drug Resistant Microbes II (draft)

Date	9.00 - 10.30	10.40 - 12.10	13.15 - 14.45	15.00 - 16.30	Memo
31.Oct (Mon)	Coming to Japan, Moving to KIC				KIC
1.Nov (Tue)	JICA Briefing, Orientation Programme (1-4 Nov)				KIC
7.Nov (Mon)	Japanese Language Class (7-18 Nov)				KIC
19.Nov (Sat)	Moving from KIC to Kumamoto City				
20.Nov (Sun)	Day off				Kumamoto City
21.Nov (Mon)	Courtesy Visit to Kumamoto Prefectural Government, ACIH Orientation Programme				Kumamoto Prefecture Gov. / ACIH
22.Nov (Tue)	Public Health and Social Service in Japan, the Past and the Present (Tanaka)	Visit to Kumamoto University Hospital, Dept. of Laboratory Medicine (Nagata, Tosaka) (14:00-16:00)			ETI / Kumamoto University Hospital
23.Nov (Wed)	Public Holiday				
24.Nov (Thu)	Course Orientation (Matsumura), Country Report Presentation (Arita, Matsumura, Tokiyoshi)				ETI
25.Nov (Fri)	AGSnet: Study on Sentinel surveillance of selected infectious Diseases (Nakane)				ETI
26.Nov - 27-Nov	Day off				
28.Nov (Mon)	Visit to Kumamoto City Environmental Research Center (Matsubara) (9.30-12.00)				Kumamoto City Environmental Research Center
29.Nov (Tue)	Antimicrobial Susceptibility Testing - Principle and Practice (Yamane)	Group Discussion (Yamane)			ETI
30.Nov (Wed)	Biochemical Mechanisms of Acquired Resistance to Antibacterial Drugs and Group Discussion (Nakajima)	Control of Infectious Diseases in Developing Countries (Arita)			ETI
1.Dec (Thu)	Field Trip to the Kitasato Memorial Hall		Visit to Oguni Public Hospital (Matsumura)		Oguni Town
2.Dec (Fri)	Era of Antibiotic Resistance in Major Bacterial Infections (Oishi)		Control of Nosocomial Infections (Matsumura) (14:30-)		ETI
3.Dec (Sat)	Day off				
4.Dec (Sun)	Moving from Kumamoto to Tokyo				Tokyo
5.Dec (Mon)	Field Visit to The Research Institute of Tuberculosis Japan Anti-Tuberculosis Association				Tokyo
6.Dec (Tue)	Field Visit to Roche Diagnostics				Tokyo
7.Dec (Wed)	Field Visit to SRL, Inc.				Tokyo
8.Dec (Thu)	Field Visit to National Institute of Infectious Diseases (NIID)				Tokyo
9.Dec (Fri)	Moving from Tokyo to Kumamoto				Tokyo
10.Nov - 11-Dec	Day off				
12.Dec (Mon)	Retrovirus Infection (Harada)	Laboratory Safety (Harada)			ETI / Kumamoto University
13.Dec (Tue)	Field Visit to The Chemo-Sero-Therapeutic Research Institute (KAKETSUKEN) (Tokiyoshi)				KAKETSUKEN
14.Dec (Wed)	Surveillance of Infectious Diseases (Morikane)	Free Study			ETI
15.Dec (Thu)	Free Study	Visit to Kumamoto Prefectural Institute of Public Health and Environmental Science (Fujita)			Kumamoto Prefectural Institute of Public Health and Environmental Science
16.Dec (Fri)	Examination Method of Antibiotic Resistance Bacteria (Oiwa)	Visit to National Hospital Organization Kumamoto MINAMI Hospital (Yagishita, Oyama) (14:00-17:00)			ETI / Kumamoto MINAMI Hospital
17.Dec - 18-Dec	Day off				
19.Dec (Mon)	Antitumor Substance Produced by Antinomycetes (Suzuki, Kido)	Bioassay of Antibiotics (Dilution Method) (Suzuki, Kido)			Faculty of Pharm. Sciences, Kumamoto Univ.
20.Dec (Tue)	Host-Microbe Interaction - A New Scope of Molecular Mechanism in Microbial Pathogenesis (Maeda)	Quality Control and Quality Assurance Practice in Clinical Microbiology (Tosaka)			ETI
21.Dec (Wed)	Free Study	Visit to SAISEIKAI Kumamoto Hospital (Suko, Kamio, Ogou) (13:30 - 16:30)			SAISEIKAI Kumamoto Hospital
22.Dec (Thu)	Global Situation of Viral Infectious Diseases (Morita)	Function of Bacterial Toxin (Hirayama)			ETI
23.Dec (Fri)	Public Holiday				
24.Dec - 25-Dec	Day off				
26.Dec (Mon)	Susceptibility Test of Multi-Resistant Organisms (Kawasaki)				National Hospital Organization Kumamoto Medical Center
27.Dec (Tue)					
28.Dec (Wed)					
29.Dec - 3-Jan06	New Year's Holidays				

Date	9.00 - 10.30	10.40 - 12.10	13.15 - 14.45	15.00 - 16.30	Memo
4.Jan (Wed)	Free Study				ETI
5.Jan (Thu)	Group A	Group B	Group C		
20.Jan (Fri)	Lecture and Practice National Hospital Organization Kumamoto Medical Center	National Hospital Organization Kumamoto MINAMI Hospital	Kumamoto University Hospital, Dept. of Laboratory Medicine		
21.Jan - 22-Jan	Day off				
23.Jan (Mon)	Lecture and Practice				
2.Feb (Thu)	SAISEIKAI Kumamoto Hospital	National Hospital Organization Kumamoto Medical Center	National Hospital Organization Kumamoto MINAMI Hospital		
3.Feb (Fri)	Interim Report Presentation (Matsumura)				ETI
4.Feb - 5-Feb	Day off				
6.Feb (Mon)	Lecture and Practice				
10.Feb (Fri)	The Kikuchi Research Center, The Chemo-Sero-Therapeutic Research Institute				KAKETSUKEN
11.Feb - 12-Feb	Day off				
13.Feb (Mon)	Lecture and Practice				
17.Feb (Fri)	Kumamoto University Hospital, Dept. of Laboratory Medicine	SAISEIKAI Kumamoto Hospital	National Hospital Organization Kumamoto Medical Center		
18.Feb - 19-Feb	Day off				
20.Feb (Mon)	Moving from Kumamoto to Okinawa				
21.Feb (Tue)	Visit to: Faculty of Medicine, University of the Ryukyus (Yamane)				Okinawa Pref.
22.Feb (Wed)	Visit to: Faculty of Medicine, University of the Ryukyus (Yamane)				
23.Feb (Thu)	Visit to: Faculty of Medicine, University of the Ryukyus (Yamane)				
24.Feb (Fri)	Moving from Okinawa to Kumamoto				
25.Feb - 26-Feb	Day off				
27.Feb (Mon)	Lecture and Practice				
3.Mar (Fri)	Kumamoto University Hospital, Dept. of Laboratory Medicine	SAISEIKAI Kumamoto Hospital	National Hospital Organization Kumamoto Medical Center		
4.Mar - 5-Mar	Day off				
6.Mar (Mon)	Lecture and Practice				
17.Mar (Fri)	National Hospital Organization Kumamoto MINAMI Hospital	Kumamoto University Hospital, Dept. of Laboratory Medicine	SAISEIKAI Kumamoto Hospital		
18.Mar - 19-Mar	Day off				
20.Mar (Mon)	Free Study				
21.Mar (Tue)	Public Holiday				
22.Mar (Wed)	Free Study				
23.Mar (Thu)	Preparation of Final Report		Final Report Presentation (Matsumura)		ETI
24.Mar (Fri)			Evaluation (15.00-) (Matsumura)	Closing Ceremony (17.00-)	ETI
25.Mar (Sat)	Moving from Kumamoto to KIC, Preparation for Returning to Home Countries				KIC
26.Mar (Sun)	Departure				

KIC: JICA Kyusyu, ETI: Education and Training Institute, National Hospital Organization Kumamoto Medical Center, ACIH: Agency for Cooperation in International Health
